MENTAL HEALTH

► OUR MISSION

The Steve Fund is the nation's only non-profit organization focused on promoting the mental health and emotional well-being of college and university students of color. It works with colleges and universities, students, non-profits, researchers, practitioners, and with groups serving diverse populations. It aims to stimulate dialogue and to promote effective programs and strategies that build understanding and assistance regarding the mental health and emotional well-being of the nation's students of color as they enter, matriculate in, and transition from higher education.

► OUR STRATEGY

- 1) Building knowledge and thought leadership
- 2) Creating programs and strategic partnerships
- 3) Promoting awareness and dialogue
- 4) Producing immediate impact for students through tech innovations

Young people of color can text "STEVE" to 741741 to connect with a trained crisis counselor 24/7, thanks to a partnership between the Steve Fund and Crisis Text Line.

► OUR GOALS

Our goals are: A robust national dialogue; adoption of effective programs by colleges and universities; greater knowledge and utilization of campus mental health services; and the increased competency of families and mental health organizations serving our demographic.
