FAQ's

- **Is this a paid position?** *Yes, YAB members will be awarded a stipend each term.*
- **What if I don't know a lot about mental health?** *Although some background in mental health academically or otherwise is great, we also want individuals who have a passion for making a difference, are willing to learn, and recognize mental health as important.*
- **Do I have to currently be in an undergraduate institution?** *No. Although we are specifically targeted to students of color in college campuses, we at the YAB highly value the opinions of community college students, technical school students, graduate students, and recently graduated students. Due to this we currently have two tiers in the YAB, the Board member tier and the Alumni member tier.*
